Deciding it's time to place a loved one in an assisted living facility can be one of the most difficult decisions someone faces. Choosing the right place may prove to be just as difficult. With so many choices, how can you separate your location from the rest? By taking advantage of Telephone On Hold's many years of experience, your callers on hold will know before too long that you are the ones they want to put entrust.

### Here are just some of the details that Telephone On Hold music on hold can convey to your callers:

1. Emphasize the convenience of your facility's location. This way, you are assuring your callers that they are never too far from those whom they care for so deeply.
2. Advertise the impressive amenities that separate your facility from all the rest (i.e., spacious rooms, exemplary service, a spot where residents can interact with one another.)
3. Make your callers aware of the countless medical services available to their loved ones should they ever require them.
4. Promote any special events you might have coming up (i.e., communal trips to shopping malls or entertainment venues, family days, etc.)
5. To increase your business, let your callers know how easy it is to arrange a complete tour of your facility.

All of this and so much more will become evident to your callers thanks to Telephone On Hold.
