What will it do for your office?

- Your chiropractic on-hold music and messaging will provide a caring, unhurried experience for your patients. It will relax them while it is used to educate callers about your available services, benefits, and experience.
- Educate patients about the benefits of chiropractic care.
- Emphasize the understanding of pain – the common causes and methods used to reduce it.
- Teach callers about the research and continuing benefits of chiropractic care
- Increase patient referrals to your office.
- Educate callers about supplements, additional services, and products that are offered through your office.
- Answer common questions – be it hours of operation or driving directions (thus saving your employees time!)
- Does your office provide nutritional counseling? Tell your callers about it.
- Emphasize the safety of chiropractic care.
- Reduce no-shows – your ChiroHold system will educate your callers about your cancellation policy to reinforce the importance of showing up!
- Use your chiropractic on hold marketing system to tell your callers about your financing and payment methods
- Emphasize the natural and effective approaches that your office uses to pain management. - Offer an improved, high quality experience to your patients (makes a great first impression.)

Turn your on-hold button into a practice builder with Telephone On Hold's Signature Chiropractic On Hold Marketing Solution. **We'll take the pain out of on-hold!**
