

The **TelephoneOnHold.com** Difference

1-866-359-4653

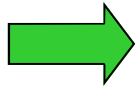

TelephoneOnHold

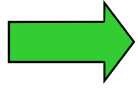

In-house studio for immediate turn-around and superior audio quality

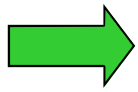

Professionally written research-based scripts that get results

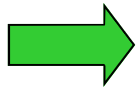

12+ professional voice artists

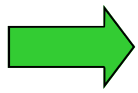

Price-lock and match guarantee

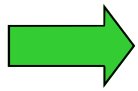

Signature "White-Glove Service" from your personal account manager

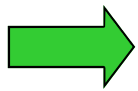

Industry's best player & warranty

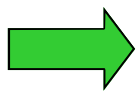

24-hour toll-free support available

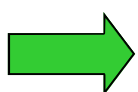

Experience! Thousands of business owners trust our on-hold marketing

100% satisfaction guarantee

Flexible program options - suitable for every business owner

Member of the On Hold Messaging Association - a quality guarantee

The "competition"

Outsourced studio means slow turnaround and sacrificed quality

With cookie-cutter scripts your business will sound like the rest

Local, untrained professionals

Prices that fluctuate each month

Dealing with multiple staff members - you'll be juggled around

Cheap players with no warranty

Business hours only

Lack of experience means you're the test-dummy

Uncertain terms and guarantees

Rigid, inflexible options to simplify training sales personnel

Member of the local gym
